Dear Kurt:

On behalf of the Board of Trustees for Carroll Hospice, thank you for being such an integral part of the twelfth annual *Taste of Carroll*. Upon our move to Gerstell Academy, we had a record number of attendees and raised over \$112,000 in net proceeds- our second best year yet!

We would like to officially thank you for all of your efforts in making this event such a success. Without the participation of our vendors, *Taste of Carroll* would not happen. We have heard numerous comments following the event praising the quality of the food and wine, and our sincere hope is that you profit from your generosity. We strongly encourage all of our attendees to patronize your establishments whenever possible and we, as an organization, try to use Taste of Carroll participants exclusively for our catering needs.

This year, we have set up a brief online survey (only 7 questions!) regarding this year's Taste of Carroll event. If you could please take the time to fill it out, we would greatly appreciate it. As our vendors, your feedback is very important to us. To take the online survey, please visit:

Thank you again for participating in the 2011 Taste of Carroll. Please accept the enclosed certificate as a token of our appreciation. We hope that you will consider joining us again next year for our thirteenth annual event!

Best wishes,

Amanda Steers
